INDEX

Volume 133 (1999)

INDEXES TO VOLUME 133 (1999)

Following the organization of the DAR MAGAZINE INDEX published in spring 1999, there are six separate indexes: suject index to articles, illustrations index, chapters and state activities index, death notices index, National Board of Management minutes index, and queries index. An asterisk after a page number indicates illustrations as part of the article. Names in italics in the subject index indicate authors of articles. For more information about the arrangement of the indexes, please consult the DAR MAGAZINE INDEX introduction.
